

Child Safeguarding in Belmayne ETNS

In Belmayne ETNS, strong Child Safe Guarding procedures permeate every aspect of school life and the day-to-day running of our school.

From a curricular perspective, all children in Belmayne ETNS receive safety lessons through Social Personal, and Health Education subject (S.P.H.E.). These lessons will be taught at each class level every year. Please follow the link for more information on the [Stay Safe Programme](#).

Please note that Principal, Sinéad O'Meara, is the Designated Liaison Person (DLP) and Relevant Person for Child Protection, and Deputy Principal Gearóid Ó Flatharta is the Deputy Designated Liaison Person (DDLDP).

All staff working in our school are mandated, which means they must report any Child Safeguarding concerns to the Child and Family Agency, Tusla.

An annual review of our Child Safeguarding Statement and Policy takes place in the first term of every school year. You can view our current Safeguarding documents; they are available in the reception area of the main school building or on the school website.

If you have any feedback on our Child Safeguarding Policies or Procedures, we would welcome your input. Please email anyone on the In-School Management Team with your input, and we will consider it carefully and pass it on to the Board of Management for review if necessary.
